

Log Mobile Homes

Our log mobile homes come in a range of sizes, providing two bedrooms (in the single unit version), or three, four, or even five bedrooms (in a twin unit). They all have fully insulated log walls, and can be finished in any colour(s). They can be roofed in almost any material to complement the surroundings (such as roofing felt, shingles, traditional pantiles, slates, tiles and modern or traditional profiled steel sheeting).
